Exercising Access, Data Portability and Deletion Rights

To exercise the access, data portability, and deletion rights described above, please submit a verifiable consumer request to us by either:

- Calling us at +1 888-973-6030
- Visiting www.humanity.com/ccpa-overview

Only you, or a person registered with the California Secretary of State and that you have authorized to act on your behalf, may make a verifiable consumer request related to your personal information. You may also make a verifiable consumer request on behalf of your minor child.

You may only make a verifiable consumer request for access or data portability twice within a 12-month period. The verifiable consumer request must:

- Provide sufficient information that allows us to reasonably verify you are either the person about whom we collected personal information or an authorized representative.
- Describe your request with sufficient detail that allows us to properly understand, evaluate, and respond to it.

“Verifiable consumer request” means a request that is made by a consumer, by a consumer on behalf of the consumer’s minor child, or by a natural person or a person registered with the Secretary of State, authorized by the consumer to act on the consumer’s behalf, and that the business can reasonably verify, pursuant to regulations adopted by the Attorney General pursuant to paragraph (7) of subdivision (a) of Section 1798.185, to be the consumer about whom the business has collected personal information.

We cannot respond to your request or provide you with personal information if we cannot verify your identity or authority in making the request and confirming that the personal information relates to you.

Making a verifiable consumer request does not require you to create an account with us. We will only use personal information provided in a verifiable consumer request to verify the requestor’s identity or authority to make the request.

Response Timing and Format

We endeavor to respond to a verifiable consumer request within forty-five (45) days of its receipt. If we require more time, we will inform you of the reason and extension period in writing.

If you have an account with us, we will deliver our written response to that account. If you do not have an account with us, we will deliver our written response by mail or electronically, at your choosing.

Any disclosures we provide will only cover the 12-month period preceding the verifiable consumer request’s receipt. The response we provide will also explain the reasons we cannot comply with a request, if applicable. For data portability requests, we will select a format to provide your Personal Information that is readily useable and should allow you to transmit the information from one entity to another entity without hindrance.

We do not charge a fee to process or respond to your verifiable consumer request unless it is excessive, repetitive, or manifestly unfounded. If we determine that the request warrants a fee, we will tell you why we made that decision and provide you with a cost estimate before completing your request.

Persons Under the Age of 18

If you are 16 years of age or older, you have the right to direct us to not sell your personal information at any time (also referred to as the “right to opt-out”). We do not sell the personal information of any consumers who we have identified as less than 16 years of age, unless we receive affirmative authorization (i.e. the “right to opt-in”) from either the consumer who is between 13 and 16 years of age, or the parent or guardian

of a consumer who is between 13 and 16 years of age. Consumers who opt-in to personal information sales may opt-out of future sales at any time.

Any CCPA-permitted financial incentive we offer will reasonably relate to your personal information's value and contain written terms that describe the program's material aspects. Participation in a financial incentive program requires your prior opt-in consent, which you may revoke at any time.
